Hosanna! Blessed is He who comes

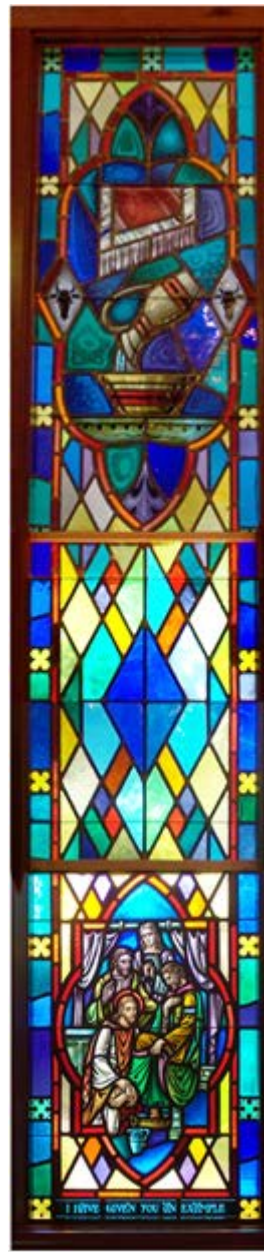

Jesus is entering Jerusalem on a donkey. The multitude is casting garments on the ground and waving branches.

SYMBOLS

The banner represents Jesus the conqueror, with the star of David emblazoned on the center ("Hosanna to the Son of David.")

The palms symbolize the branches "strewed in the way."

The donkeys in the side panels represent the humility of Jesus' entry as king.

The Foot washing

I have given you an example

Jesus is kneeling, washing the feet of one Disciple while two others look on.

SYMBOLS

The towel, the jug and the basin all symbolize Jesus' act of humility in washing the disciples' feet.

The ox head represents the readiness of Jesus for service or sacrifice.
